Dear Mr Rosenthal

I very much admire the miniature sculptures you have so kindly shown me, & as President of the above Society, I have pleasure in inviting you to send a piece of your admirable work to our forthcoming Exhibition in London. - It is so original & so beautifully executed that I feel sure it will attract much attention in my country.

You mentioned to me that its possible you may be commissioned to execute a Statuette Group for the Zionist Association of America which they propose presenting to Mr Balfour. - This of course would be of more interest than anything else you could show & I feel sure Mr Balfour would lend it for the Exhibition in England.

With kind regards & thanks.

Yours very sincerely

Alyn Williams
