Dear Mr. Rosenthal:

Thank you very much for the interesting notes which you gave to the museum concerning your beautiful miniature sculptures. You can be convinced that we cherish this information very highly because such information is very rare to get from the master of any work.

We now expect Dr. Kayser back shortly, and so we hope that soon the pieces will be put on display. We look forward to having you here in the museum to show them to you once again.

With repeated thanks,

Yours very sincerely,

Guido Schoenberger
Research Fellow
