Dear Mr. Rosenthal:

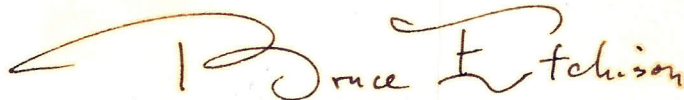

I am enclosing a copy of the feature article which appeared in both of our Hagerstown papers on November 14th.

The exhibition of your sculpture has attracted much attention from our local patrons and I can assure of its utmost success.

Since the month is fast drawing to a close, I wonder how you have arranged your schedule for picking up the miniatures? I would like to put the new exhibition in place as near the first of December as possible. However, realizing your desire to handle the miniatures personally, I will withhold any action until they have been taken care of.

Please accept my kindest personal regards and sincere thanks for making this exhibition possible.

Sincerely yours,

Director

Dear Mr. Rosenthal:

On behalf of the Board of Trustees of the Museum, may I take this opportunity to thank you for the fine exhibition of your miniature sculpture, so kindly lent us for showing in November. I know that the time and effort you put into getting them ready for showing made it very taxing and difficult. For this reason, we appreciate it even more.

It has been a pleasure to know you personally and to have had the opportunity to meet Mrs. Rosenthal and your son. We are deeply indebted to you all for your cooperation in making this fine exhibition possible.

With kindest personal regards, in which Miss Harter joins, I remain,

Sincerely yours,

  
Director
