My Dear Louie

I feel I must not let the evening pass without writing & trying to express my great appreciation of your wonderful and friendly welcome.

It has been a time of great pride & happiness to me to meet so many dear people and above

all I value the fact that you & I have so much in life that links us together - I appreciate very highly the fine mentality you bring to your thoughts & to your life & work - It is this that appeals to my own heart so much and I am very proud & honored to have met you -

I phoned up Alyn Williams and am seeing him at 11 o'clock tomorrow Friday morning -

Tonight I dined with Judge Hitz and after dinner he motored me out to see the Lincoln Memorial by moonlight - It looked most impressive

I find I am pretty well booked up here and have already 5 engagements for tomorrow! -

Remember me kindly to
M^{rs} Harriss - I owe her a
great deal too for the kind
way she looked after my
comfort & the many intro-
-ductions she contrived -

I think you are all
very delightful people at
Baltimore -

My next address will be
C/o F. A. Evans -

Climneyside
Radnor Pa

till Tuesday & after that
The Pennsylvania Hotel, New York

With my very sincere thanks
for all you did for me -

Yours Sincerely W^m Ammonier
